

CONTRACT AGREEMENT

Company Number: IT12023127

1.WORK AND PAYMENT: BYOMA hereby engages you to complete a haul assignment, which functions as an alternative content solution in instances where a scheduled model is unavailable. This engagement involves showcasing and promoting selected items provided by BYOMA. You are expected to begin work promptly upon receipt of the designated products.

All deliverables should meet BYOMA’s brand standards and guidelines, with the understanding that timely execution and high-quality presentation are essential. Compensation terms and further instructions will be communicated separately, and your cooperation in adhering to agreed timelines and expectations is appreciated.

This agreement shall remain in effect until formally terminated by either party and may be extended upon mutual agreement should you wish to continue your engagement with BYOMA. As part of this collaboration, you will receive a fixed monthly salary of \$3,000.00, along with a one-time sign-on bonus of \$1,000.00. The bonus will be issued upon successful completion of your profile setup, execution of this contract, and fulfillment of any required onboarding procedures. At that point, you will be formally recognized as an official brand influencer and representative of BYOMA.

Additionally, you will be eligible for reimbursement of all reasonable, pre-approved out-of-pocket expenses incurred in the course of performing your duties. To ensure prompt processing, all receipts and supporting documentation should be submitted as early as possible.

2.OWNERSHIP AND LICENSE: The Influencer shall retain ownership of all original photographs, videos, and content created in connection with this engagement for BYOMA. This includes all finished content—whether developed, designed, conceived, or produced prior to or during the course of this project—that directly pertains to the agreed scope of work.

While ownership remains with the Influencer, BYOMA is granted a perpetual, non-exclusive, worldwide, royalty-free license to use, reproduce, modify, publish, distribute, and display the content across its digital platforms, print materials, advertisements, and other promotional or commercial channels. This license enables BYOMA to utilize the content for brand-related purposes while fully respecting the intellectual property rights of the Influencer.

3. TERMS AND CONDITIONS: *This agreement shall remain in effect for a period of twelve (12) consecutive months, during which you will receive product shipments on a monthly basis for the purpose of content creation, brand promotion, and representation on behalf of BYOMA. At the conclusion of the one-year term, the agreement may be renewed upon mutual written consent of both parties.*

All compensation owed—including salary, sign-on bonus, and approved reimbursements—will be paid in full for all services rendered up to the official termination date. Reimbursements for out-of-pocket expenses must be pre-approved by BYOMA and submitted with appropriate documentation (such as receipts or invoices) to ensure timely processing.

Delivery and Risk Management Fee

As part of the initial onboarding process and logistics coordination, a one-time Delivery and Risk Management Fee of \$219.00 shall apply. This fee is required to cover:

- The assignment of a unique tracking ID for real-time shipment monitoring;*
- The secure handling, priority processing, and maintenance of items while in transit;*
- Shipping logistics, including express or priority services to ensure timely delivery to your provided address.*

This \$219.00 fee is incorporated into the initial onboarding and setup process and is considered standard for all Influencer partnerships. It is applied once, prior to the first shipment. From the second month forward, BYOMA will assume full responsibility for all delivery and logistics expenses for the remainder of the contract term.

Minimum Commitment Requirement

To ensure brand consistency and uphold campaign scheduling, Influencers are required to maintain active participation for a minimum of two (2) consecutive months before requesting voluntary withdrawal from the agreement. Early termination prior to this minimum commitment period may be considered a breach of contract and is subject to review and written approval by BYOMA.

4. VERIFICATION OF INSTAGRAM ACCOUNT:

As a condition of this agreement, the Influencer must maintain an active, authentic, and verifiable Instagram account that aligns with BYOMA's brand identity, values, and marketing objectives. The account must be free of any artificial engagement practices, including but not limited to the use of purchased followers, automated likes or comments, or any other forms of engagement manipulation.

The Influencer agrees to provide, upon request, access to account analytics, audience insights, engagement metrics, and any additional information reasonably required by BYOMA to confirm the authenticity and performance of the account. This may include periodic account reviews and audits to ensure compliance with brand standards.

It is expected that the Influencer will maintain a consistent and professional online presence throughout the term of this agreement. Any significant changes to the account—including username changes, deactivation, or content removal relevant to this partnership—must be communicated to BYOMA in advance.

Conclusion:

Failure to comply with the verification and maintenance requirements outlined above may result in a suspension of deliverables, a temporary hold on compensation, or, if unresolved, termination of this agreement. BYOMA reserves the right to take appropriate action in the interest of brand integrity and performance expectations.
